What is a Model United Nations Conference?

MUN conferences are an educational and intellectual exercise practiced all over the world to provide the future leaders an opportunity to discuss conflicting topics and issues around the globe. To come together and present a viable solution through critical thinking by being put in the decision-making process as the delegates of countries across the globe.

Participants in Model United Nations conferences, known as delegates are placed in committees and assigned countries, or occasionally other organizations or political figures, where they represent members of that body. They are presented with their assignments in advance, along with a topic or topics that their committee will discuss. Delegates conduct research, before conferences and formulate positions that they will then debate with their fellow delegates in the committee, staying true to the actual position of the member they represent.

MUN conferences bring forward a lot of opportunities and teaches the delegates the art of researching, public speaking, debating and teamwork while imparting in them cultural empathy.

What is CUIMUN?

CUIMUN or COMSATS University Islamabad Model United Nations is the first ever official MUN hosted by the COMSATS University in Islamabad.

Our Goal:

Our goal is simple; to host a conference like none other, to set a new standard of debating with our zeal and experience. CUIMUN promises to bring an unforgettable experience comprising of fierce debates, amazing socials and wholesome connections

CUIMUN is focused on enhancing learning and providing delegates an opportunity to strive for the resolution of global and national issues, to put them in the deciding seat and test their capabilities molding them into the future leaders.

Venue & Date:

COMSATS University
Islamabad

25/26/27 March 2022

Committees Offered:

1. UNSC
2. PNA
3. SOCHUM
4. UN WOMEN
5. DISEC
6. UNDP/SPECPOL

“CUIMUN is not an event, but a phenomenon; an idea based on serving the society and nurturing logic, reasoning, and education.”

Aims & Objectives:

- To promote the culture of debating and exercise analytical thinking.
- To encourage and teach the art of diplomacy.
- To educate the youth about culture and tradition of different UN members.
- To provide youth an experience of UN procedures and protocols.
- To develop universally acceptable proposals to solve some of the pressing global issues including poverty, health, energy and education, conflict, wildlife and conservation, climate change, imbalanced trade among others.
- To develop confidence and speaking skills of the youth.
- To acknowledge issues at both national and international stages and find a resolution through diplomacy.
- To present viable solutions to the existing crisis at national and international stages.
- To provide the students an opportunity to develop social skills and make lifelong connections.

Audience Engagement & Event Promotion By The Host Team Prior To The Conference

With 20,000+ students currently enrolled in the university, the impact of the conference will be enigmatic providing our sponsors an excellent opportunity to promote and interact with the budding youth,

Here is how we plan to engage the audience and promote the event;

- Help/information desk positioned outside the main cafeteria in the university which serves as a prime location for students to unwind and refresh. Manned by our team, we will use this as an opportunity to engage as much of the 10,000 currently enrolled students as we can.
- Regular posting on social media page for further engagement and relevancy.
- Delegation invites to major schools, colleges and universities within and outside the twin cities.
- Delegate accommodation offered to outside delegates furthermore increasing the potential of expected audience as we are able to target interested delegates outside the twin cities.
- Event promotion by university societies both on their official social media accounts and physically on campus.
- Event promotion by event members on their personal social media furthermore encompassing potential audience.
- Further promoting the event strategically by visiting individual classrooms in various departments.
- Announcing and promoting CUIMUN in the orientation session of the new SP-22 intake of all departments.

Activities & Social Events for CUIMUN'22

Formal & Socials Events for CUIMUN'22

Formal Events:

Following events will be a part of the formal CUIMUN conference.

Opening Ceremony:

CUIMUN will begin with a Grand opening ceremony in which the participants will be welcomed to the conference and the beautiful city of Islamabad. The conference will formally begin with the speeches of the EC, introduction of our sponsors, introduction of the event and the theme of CUIMUN.

Committee Sessions:

Committee Sessions will be held as per the United Nations format.

Closing Ceremony/Formal Dinner & Award Ceremony:

The conference will be formally concluded with a formal dinner followed by the awards ceremony for the successful delegates providing an opportunity for the delegates to interact and connect with each other and their committee chairs.

Socials Events

The best part of any Model United Nations Conference is the socials, to make the delegates' experience more fulfilling and memorable, CUIMUN will be hosting the following socials.

Global Village:

A night for delegates to represent their assigned country to the audience through their clothes, food, and other attributes. Each delegation will have their stall/table assigned to them on which they can present their culture.

Musical Evening:

After a tiresome day of fiery debates, delegates will be rewarded with a melodious night to unwind and relax.

Why Sponsor CUIMUN?

CUIMUN is the one of the biggest Model United Nations conferences taking place in Islamabad this year and being officially hosted by an institute ranked amongst the top 5 in the country adds to the charm of it. The sheer reputation of the institute and the potential audience provides an excellent opportunity for you to market and promote your organization and benefit from the skilled undergraduate and graduate body as well as the valuable alumni.

With **20,000+ students** actively studying in the university across various programs, you have an excellent opportunity to promote yourself amongst the budding youth of the nation. Moreover, with exciting socials, delegation invites to other colleges & universities in the twin cities we are expecting even a bigger attendance; tremendously increasing the impact of your sponsorship through targeting a wide pool of audience comprising greatly of youth through physical promotion, banners, standees and digital promotion via CUIMUN channels and affiliated members.

Moreover, besides promotion and marketing, our sponsors are also provided with the option to set up kiosks to promote themselves even more attractively. Similarly, CDC (Career Development Center) in affiliation with the CUIMUN will provide alumni directory and invitation to career expos for our sponsors to benefit from the talent and skills of our fresh graduates and prestigious alumni.

CUIMUN plans to not only act as a platform to expose businesses to huge audiences, but also to provide an opportunity to established brands to highlight themselves and show their presence in a communal gathering where the audience of your relevant target market is available to access with ease.

Invitation to Notable Personalities:

Notable political personalities, ambassadors, United Nations personnel, rectors and other senior government officials will be invited to grace CUIMUN with their presence.

Benefits of Sponsoring CUIMUN

Brand Visibility & Unique Marketing:

Make your brand visible and familiarize a diverse & huge audience with your business. This real time engagement will enable customers to generate massive recall value. Ultimately resulting in increased response, brand familiarity and consumer-base expansion in the city & its vicinity.

New Start-ups:

Introduce your brand as a new start-up to stakeholders who may potentially end up as customers or vendors for you or even your employees, ultimately broadening your position and presence in the market. Such smart marketing investment may generate more and more leads for your brand locally.

Potential of Growth:

COMSATS offers various programs such as management sciences, computer science, psychology, engineering and more. By sponsoring CUIMUN, you open for yourself new gates of growth. Your organization can benefit from the pool of talent studying at COMSATS and the graduating students may look forward to joining your organization.

Projecting a Strong Image:

You will be able to project a very strong image in the locals of the city as the people familiarize themselves with your brand and how it works not only as a services business, but also as an enterprise participating in the intellectual growth of youth and creating employment opportunities for the masses. This is an excellent opportunity for you to impose a rather strong image of your brand as one being highly active in providing and creating new possibilities of enjoyment, leisure, and celebration and employability.

Acquire Unique Potential Customer Data:

Sponsoring CUIMUN can assist you in acquiring unique data that can generate leads for your business and help you plan and execute marketing activities for your brand in the future.

Increase Your Customer Base:

Sponsoring CUIMUN will enable you to interact and remain in touch with people seeking opportunities allowing you the opportunity to potentially convert them into your customers.

CDC Endorsement

Career Development Center at COMSATS UNIVERSITY ISLAMABAD campus is primarily established to produce better employees and employers' relations using the potential of students and graduates of CUI. Career Development Center helps the unemployed students and graduates to find jobs and provide with the skills and tools they need to advance within a government agency, corporation or an organization.

CDC in this conference will act as overlooking entity providing support to the organizers as well as the sponsors for better communication and allocation of resources.

CDC in collaboration With CUIMUN will offer the following privileges to the sponsors;

- An official communicating channel by the university between the organizers and the sponsors.
- Handle any query or affairs regarding the event.
- Provide graduate directory for recruitment purposes.
- Invitation to Career Expo.
