Every event organized by Youngistan has been widely appreciated and has been an immense success. Youngistan is interested in partnering with The Citizens Foundation to organize a seminar at Comsats University Islamabad. The purpose of the seminar is to raise awareness about The Citizens Foundation and its initiatives.

ABOUT THE CITIZENS FOUNDATION PAKISTAN:

The Citizens Foundation (TCF) Pakistan is a non-profit organization that works specifically against illiteracy and poverty by providing education to the deserving and unprivileged. Established in 1995 by a group of individuals driven by a shared vision to provide affordable and accessible education to the less fortunate, TCF has tirelessly worked to build schools in the most marginalised communities across the country for the betterment of the younger generation and the future of Pakistan.

OBJECTIVE:

Our primary objective for this seminar is to create awareness among the masses regarding The Citizens Foundation. Through their collaboration with Youngistan, The Citizens Foundation intends to expand its outreach, educate youth on the importance of education, and provide them with the tools and resources they need to make a positive impact.
