EVENT PROPOSAL

COMSATS UNIVERSITY, ISLAMABAD

Respected Sir,

COMSATS University Islamabad has consistently led the way in providing our youth with essential developmental experiences. With great enthusiasm, Team Youngistan is once again set to unveil 'Winds of Change,' a groundbreaking initiative by the Youth Club, to COMSATS University. The distinguished speakers will provide invaluable insights, creating an environment where students can connect with their faith on a deeper level. This event is organized to empower our youth, offering them an opportunity to delve into the intricacies of the world while understanding Islamic values.

Background

‘Winds of Change’ is an event presented by the Youth Club with the ambition to enrich the minds of the youth and to promote the importance of faith in helping them navigate through the complexities of our daily lives. This event has been a resounding success since it was first introduced. The appraisal from the audience and the success of the last Winds of Change event has been the sole motivation for Team Youngistan to make the event happen again.

Why the is important?

The Youth Club aims to educate and broaden the thinking horizons of the youth recognizing their pivotal role as the architects of the future. These events play an important role in creating a sense of community among the Youth and allow like-minded people to have a platform where they can come to learn and share as well. Through these initiatives, we strive not only to impart valuable insights but also to instill a sense of unity and shared purpose among the youth, promoting a collective vision for a brighter future.

Further Details

This event has become now one of the most anticipated events of the year all owing to the success of the last Youth Club Session. Team Youngistan is fully invested in making this a yearly tradition as it has proved to be a platform that is open to everyone and is equally beneficial and worth the students' time.
